

## MORA Goals

MORA is committed to promoting and improving recycling in Missouri. We believe that recycling can have a positive impact on the environment and the economy. MORA works to:

- Provide information and technical support to help consumers, businesses and governments reduce waste, recycle and buy recycled-content products
- Reduce waste through consumer purchasing decisions - *pre-cycling*
- Recover waste with safe and affordable systems for collection and processing
- Develop local "waste-based" industries to manufacture products from recovered materials
- Promote pollution prevention and the efficient use of resources to protect the air, water and land.

resource recovery*

# Being a MORA Member...

The Missouri Recycling Association is the only collective voice in Missouri for recyclers on critical waste management issues. Membership in MORA also means true value in the form of tangible products and services, including:

- Recycled-content product displays for use at meetings, fairs, conferences, etc.
- E-mail messages with timely news
- A quarterly newsletter to all members
- America and Missouri Recycles Day coordination, including a poster contest through Missouri schools.
- MRD calendars to all members
- An annual conference with discounted fees for members
- Relevant workshops
- A web site: [www.mora.org](http://www.mora.org)
- A toll-free organizational phone number: **(866) 667-2777**
- A recycling guide to all members and distributed to public through media
- An annual membership directory
- Automatic membership in the National Recycling Coalition.

## MORA Membership Information

MORA supports waste reduction and recycling efforts in Missouri by providing information, educational opportunities and technical support in partnership with state, national and regional organizations.

MORA provides a forum for sharing information through workshops, meetings and an annual conference. Members cooperate on a regional level to share experiences and encourage market development for recovered materials.
