

MISSOURI RECYCLES DAY 2008 **NEW**

POSTER CONTEST THEME

“RIDE THE GREEN WAVE”

THIS YEAR WE ARE OFFERING A NEW OPPORTUNITY FOR MISSOURI STUDENTS. “Ride the Green Wave” is the theme of our annual conference, being held in June 7-10, 2009 in St. Louis. Calendar entries using this theme will be entered into a special contest. MORA may use one of the poster entries as their conference logo. Prizes will also be awarded.

The Missouri Recycling Association (MORA), is sponsoring a statewide poster contest to commemorate Missouri Recycles Day. This celebration is observed annually on November 15 in conjunction with a national event – America Recycles Day.

Missouri Recycles Day is celebrated to increase awareness of recycling and recognize the millions of Americans who are committed to recycling. November 15 is a day for people to renew their commitment to recycling, or make a commitment to recycling for the first time. The first Missouri Recycles Day event was held in 1997. For 2008, MORA is once again planning a poster contest for school-aged children throughout the state. First second place, and honorable mention winners will be selected for each grade level, Kindergarten through twelfth grade. One Grand Prize winner will be selected from the first place entries and will be awarded a \$200 U.S. Savings Bond. All first and second place winners will receive a certificate of recognition. In past years, MORA secured enough donations to print a calendar with each of the first place posters. MORA plans, once again, to print a 2009 MRD Calendar to highlight the 2008 winning posters.
